Educonclave

Data - Collection of information in the form of numerical figures.

Organisation of data - helps in bringing about meaningful conclusion from the data

```
        Representation
           of Data
       ┌──────┴──────┐
  Bar Graph      Pictograph
```

Pictograph: It is a way of representing data using pictures on symbols to match the frequencies of different information or evens.
